

### **DRIVE THROUGH WINE COUNTRY**

Mention wine country to most folks and they immediately think of Napa, the venerated region an hour or so north of San Francisco. But did you know there is an as equally respected wine district much closer to Mazda Raceway Laguna Seca?

The Monterey County Vintners and Growers Association, along with Mazda Raceway Laguna Seca, is offering attendees of the Rolex Monterey Motorsports Reunion the opportunity to explore some of the finest wineries in the region while getting into the spirit of the Historics weekend. On Wednesday, August 11, a guided tour headed by the Mazda Raceway Laguna Seca Troy Lee-edition CX-9 pace car will lead participants on a circuit through the Monterey wine region.

The second annual Motorized Monterey Wine Country Tour is open to all car enthusiasts. You don't have to be a member of a car club, or be part of a car corral - you just enjoy cars and being around other like-minded people! And what better way to start the Rolex Monterey Motorsports Reunion weekend than with a drive through some of the spectacular Monterey County countryside? The cost to participate is \$100 per person and includes coffee and pastries at Mazda Raceway Laguna Seca to start the day, tastings at all the day's featured wineries, a first-class picnic lunch from Paradise Catering, Mazda Raceway Laguna Seca goody bag, and a lap of the track in the afternoon after returning from the day's tour. What better way to end a day featuring corkscrews than to take a drive down the legendary Corkscrew itself?!

In order to make this a fun day for everyone space is limited to a maximum of 60 people, or 30 automobiles - whichever number is reached first.

To reserve your place on this inaugural tour please contact Wendy Carvalho in the Mazda Raceway ticketing office at 800 327-7322 and register.
